### Local Community Support

Team Sorrel has been inundated with words of comfort from the local community of Shottisham; we have been overwhelmed by the kindness, love and support for the precious Sorrel Horse. May we sincerely thank you all.

It is our intention to also implement a series of initiatives limited to the village of Shottisham effective from Tuesday 24th March 2020. Full information will be circulated to the village asap.

- Fresh Vegetable packs available daily from the Sorrel for delivery or collection
- Limited dairy products available daily from the Sorrel for delivery or collection
- Dry store products available daily from the Sorrel for delivery or collection
- Limited Household and toiletry products available daily from the Sorrel for delivery or collection
- Fresh Meat packs available three times a week from the Sorrel for delivery or collection
- Perhaps most importantly! - An off-licence service available daily from the Sorrel for delivery or collection!

Last but not least, it would be remiss of Team Sorrel to not recognise and thank the sterling efforts of those supporting the wider community selflessly at potential risk to their own health. We are therefore delighted to be able to offer all Deben Peninsula based emergency service workers, NHS staff, and care workers a free pizza on a weekly basis on presentation of your staff identity card

This offer also applies to those who are elderly and vulnerable in the village of Shottisham

With best wishes and good health to all
